VOL. VI. NO. 155.

CHICAGO, TUESDAY, JULY 3, 1900.

PRICE, 5 CENTS.

SAM PHILLIPS BEATEN AGAIN.

After Barney Schreiber's streaks of luck Saturday he concluded that he was done, and sold his Lissak—Caroline Hamilton colt Tayon to C. W. Chappell. Tayon was entered in the last race at Washington Park yesterday and Barney sold him with the proviso that he was to receive half out of the first purse that the colt won. At the time of the sale Schreiber hardly thought that Tayon had a chance to beat the horses he was in with, but it turned out that Mr. Chappell, who bought the colt, knew what he was about, and when Tayon, after running a high class race, poked his head in front of Livadia, Mr. Chappell won a swell bet and naturally gave Mr. Schreiber the laugh.

Tayon's race was certainly a fine one, and on him jockey H. Stuart, who has been on the sick list for some weeks, rode a cracking good race. It was the boy's first mount since he fell and broke his collar bone at Hawthorne, and naturally enough he was a trifle timid at the post, but after the start he settled down to business and feeling his way along carefully in the first part of the race he waited patiently until well straightened away for home before he made his move, and then, with clever judgment, he rode an excellent finish with his hands, gaining a well-deserved decision.

Everyone that journeyed to the track expected to see the horses race in the mud owing to the heavy downpour of rain early Monday morning but they were agreeably disappointed as a mile was run in 1:39½, which is the best time made around Chicago so far this year. The Sprite, a fine looking filly by Deceiver—The Wraith, was the horse to run the fast mile and in doing so she easily beat Pat Dunne's Alcedo who was heavily backed by the public and also the Hawthorne contingent.

The race between Advance Guard and Sam Phillips, at nine furlongs, was a beauty, but at the end there was nothing to it, Advance Guard winning quite handsly by a half length, thereby deciding without a doubt which of the two was the better colt.

Mr. Dwyer presented Silverdale with the two-year-old race. He let the Schorr colt off flying about two lengths in front and after a hard drive Silverdale beat Green Morris' Schoolmaster by a scant length.

With twenty-six pounds off from her last race Anthracite cleverly beat Potente and Greatland in the initial mile and seventy yards condition race. Tommy Knight rode Anthracite, and handled her to perfection.

Pope Leo, fit and ready and with Caywood up, stepped three-quarters of a mile in 1:13½, incidentally beating Rollins and Shrove Tuesday without a struggle.

W. S. Barnes, after Fancy Wood's race Saturday, looked over his horses at the stable and concluded they were so thin and poor that he was going to send them to Melbourne to rest and feed.

Jockey L. Rose was given a three days set down by the starter for refusing to break with Lomond.

William L. Oliver, it is reported, will go east soon with his horses. Word has been sent to him that they cannot get along at Brighton Beach without his presence, and he is always willing to oblige.

Jockeys Caywood and Buchanan were given \$10 fines for disobedience while at the post.

A grand contest is expected when Lieutenant Gibson, Sidney Lucas and Advance Guard meet in the Sheridan Stakes Wednesday.

thanson Saturday, entries to which will close Monday, July 23, is as follows:

OAKWOOD AFTERMATH.

Speaking of recent racing at Washington Park, Barney Schreiber said yesterday: "Bullman rode for me at San Francisco last winter and I secured second call on his services in a regular way from Green Morris as soon as I could after he arrived here. That is why he rode Fly By Night in the Oakwood Handicap and also why he could not ride Sidney Lucas. He will ride for me in stakes in which Morris has no starter. There was no occasion for blaming Messrs. Thompson for not putting him on Sidney Lucas. They could not do so and did the best they could under the circumstances. Any turf reporter could easily have ascertained the facts by making inquiry of me if he cared enough to be accurate to do so.

"I bet \$100 on Fly By Night for a friend who asked me to do so, but not a dollar for myself. His running had been disappointing to me and I thought the big end of the stake would do well enough for me, if he was able to land it, something I strongly doubted his ability to do. There has been some talk about what I won on In Shot, big stories without any foundation in fact. I did bet \$25 on her, no more, no less, and if I hadn't won the Oakwood, I would not have ventured a nickel on her chances.

NOTES OF THE TURF.

That fleet colt Picardy unfortunately bowed a tendon on Thursday morning, last week, and will be on the shelf for an indefinite period.

A half interest in the three-year-old Contester has been sold by R. W. Walden & Sons to R. C. Hall, owner of Gautama. The price paid is said to be \$5,000.

Many have wondered why Duke of Baden has not started since his out in the Inaugural Handicap. The reason is that he cut himself so badly in that out that he will never be able to race again. The good son of Duke of Montrose and Babette has been shipped to J. S. O'Brien's breeding farm at Stillwater, Minn., where he will do service.—St. Louis Republic.

Went to post at 5:10. At post 3 minutes. Start fair. Won driving; second easily. Matlock
came fast in the last sixteenth and finished strongly. Powers made too much use of Ocie Brooks
in the first five-eighths and she had nothing left when the pinch came. Poorlands was responsi-
ble for a lot of crowding soon after the start, Matlock and By George being the chief sufferers.
Come Quick was eased up in the stretch.

met with interference soon after the start and again at the three-quarter post, but he was the
best horse and is capable of beating better horses. Beguile, Flax Spinner and Free Lance raced
each other into exhaustion and Free Lance lasted longest. Lewis eased up Flax Spinner in the

Winner—Ch. f, by Daniel—Antelope.
Went to post at 2:30. Off at the first break to a good start. Won handily; the next four were driving to the limit. Anthracite, with a lot of weight off from her last race, was cleverly ridden, and ran a high-class race. Knight placed the filly with judgment throughout and brought her up with a rush in the last sixteenth. Potente may have been a trifle short. At least this is the only excuse that can be offered for his defeat. At the head of the stretch he seemed to be winning, but hung at the end. Greatland took the shortest route, was well handled, and ran his very best race. Limerick had bad luck, but was right there at the end. Silver Garter showed some speed, but three-quarters is as far as he wants to go. Arthur Behan got away in a tangle and did not run his race.

Overweights—Arthur Behan, 2 pounds; Silver Garter, 1.
Anthracite, place, 2 to 1; show, evens. Potente, place, evens; show, 1 to 2. Greatland, show, evens.

Winner—Ch. c, by Faverdale—Golden Rod II.
Went to post at 3:00. Off at the first break to a bad start. Won in a drive; second driving also. Silverdale got the best of the start, took the shortest route, had clear sailing and won a lucky race. The chances are that Schoolmaster would have beaten Silverdale with an equal break. He was in a tangle at the start and was much used in getting up. He ran a cracking good race. Battus ran a greatly improved race. He lost much ground by making a wide stretch turn and was pressing the two leaders at the end. Volkman and Prince of Delight were out-classed and beaten off.

Scratched—18408 Miss Nobody, 105.

Winner—Ch. c, by Great Tom—Nellie Van.
Went to post at 3:30. Off at the first break to a good start. Won handily at the end after an early drive; the other two were doing their best. Advance Guard is a grand colt and ran a grand race. Vititoe let him loaf in behind until the stretch was reached and then made his move. For an instant Advance Guard hung, but as soon as Vititoe struck him with the whip he responded gamely and at the end was going away. Sam Phillips was skilfully handled and had no excuse for his defeat other than Advance Guard is better than him. The Monk ran a much better race than he did when last out.

Scratched—18884 Cogmoosey, 114.
Advance Guard, place, out. Sam Phillips, place, out. The Monk, place, 8 to 5.

Winner—B. h, by Leonatus—Queen Faro.
Went to post at 4:00. At post 17 minutes. Start good. Won easily; second handily. The next three were driving hard. Pope Leo was the best, best ridden and is in fine form. Caywood saved him finely during the long delay at the post and succeeded in getting a running start. Rollins is a hard horse to ride and little Martin could hardly do him justice. This considered the gelding ran a smashing good race. He got away all tangled up and was shut off numerous times, but when straightened away for home he closed ground rapidly and finished strongly. Shrove Tuesday was right there all the way and ran a good race. Ben Ledi had a rough journey and was generally poorly handled. The route was too short for Brisk, who is in winning form, Lomond was the cause of the delay at the post and is probably stale.

Overweights—Della Ostrand, 3 pounds.
Pope Leo, place, evens; show, 1 to 2. Rollins, place, 8 to 1; show, 4 to 1. Shrove Tuesday, show, 3 to 2. Ben Ledi, place, 7 to 5; show, 3 to 5.

Winner—Ch. f, by Deceiver—The Wraith.
Went to post at 4:45. Off at the second break to a poor start. Won handily; second driving hard. Third eased up. The Sprite broke fully in her stride, had speed to spare and ran a high-class race. Mathews wasted no time in looking to see what was behind him and did his best on the filly to the end. Alcedo ran a high-class race under his 112 pounds. Star Chime was right there all the way and although outrun at the end ran a good race. Lady Elite had no chance from where she got away. Shortly after the start The Rush stumbled and this ruined whatever chance he had. Jake Weber's race was good enough for him to win when placed right.

Scratched—18943 Yellow Tail, 112; 18910 Lamachus, 112; 18881 Mitten, 107.

Went to post at 5:15. At post 4 minutes. Start good. Won hand ridden; the next six were driving for all they were worth. Tayon, under a smashing good ride, ran a high class race. Stuart was slow in getting away from the post, but took his time about going to the front and nursed Tayon along with good judgment during the early stages of the race. At the head of the stretch there was a general closing up and at the end when the pinch came Stuart and Tayon were right there. Livadia had a rough journey and was poorly handled, but ran a fine race. From the

half mile ground home Vain closed a lot of ground. Hermoso and Minyon both hung at the end. John A. Morris was roughly treated when going down the backstretch, being almost thrown over the fence. Avenstoke can do better.
Scratched—18943 Midwood, 106; 18914 Moroni, 115; 18912 Vohicer, 104.
Corrected weights—Tayon, 104.
Overweights—Avenstoke, 4 pounds.
